- Adding authors
  - The Author section is already filled with your profile information and you are preselected as the Primary Contact.
  - To add a co-author, enter the co-author's email address into the field and click add. (You will find them if they are already a user in CMT.)
  - If the co-author you wish to add is not a user in CMT, you will see "User was not found. To add a new user, please enter the information below and click Add Button." If the co-author is already a user, the co-author will be added to the end of the Author list.
  - Enter the co-author's first and last name along with the Organization to which he or she belongs and the Country/Region where they reside. Then click the Add button.
  - You may change the Primary Contact to the co-author by clicking the Primary Contact radio button in the co-author's row. The 'X' and 'arrow' icons on the end of the rows are there so you may delete the entry and/or move it up in the hierarchy.

AUTHORS *
You may add your coauthors.

Primary Contact	Email	First Name	Last Name	Organization	Country/Region
